

## Turn of the Century Art Deco Chandelier

### Reference:

MPD-001426

Description

Turn of the Century, five light, Art Deco ceiling chandelier.

Cast iron fixture with it's original "old gold" finish. Finish does show it's age a bit after 90 odd years but like an oriental carpet, very pleasing to folks who appreciate this antique look.

Totally re-wired with new sockets and wire to UL standards and now is ready to install. The chandelier easily installs with the center finial to a standard crossbar and everything will be supplied.

The amber tipped shades are a nice touch and are near perfect condition.

Measurements: The Overall diameter, from shade tip to shade tip, is 15 3/4". Height is only 7" from the ceiling to the bottom of the shade.
