#### Description

167-CH1-DK French Marseilles Art Deco Slip Shade Chandelier Antique Finish with Frosted Slip Shades 167-CH2-DK French Art Deco Slip Shade Chandelier Antique Finish with Amber Shades Although we usually focus on American antiques and reproductions, we couldn't resist this French design Art Deco five light chandelier. The original chandeliers came from a restoration project in Seattle, in the style and quality of Noverdy and Vianne who are now mostly out of business. When the original antiques sold quickly, we decided to reproduce them to make them available to a wider market. Measurements: 12 1/2" tall by approx 26" diameter from shade tip to shade tip. Nice larger diameter chandelier. The basic fixture is solid heavy weight brass, with an aged brass patina. The glass slip shades are typical of fine French quality, but rarely seen today, even in reproduction. Choose from amber (pictured) or frosted glass. If you have one of these fine chandeliers and need just the replacement slip shade glass, we can provide that as well. The five sockets can handle up to 100 watt incandescent bulb each, or purchase our optional LED Art Deco looking bulb 60W-WW-E26, each using only 7 watts and putting out about 75 watts of incandescent equivalent light. Makes running the close ceiling chandelier all night long, perhaps as a nite lite, very economical indeed and cool to the shades as well.
