Pair of Restored Antique Chandeliers C1920

Reference:

MPD-001413
Description
ANT-247 Pair of Restored Antique Chandeliers c1920
Pair of wrought iron chandeliers from turn of the century...Circa 1920 or so. Hard to date accurately but the quality and the original cloth wiring helped us.

Heavy and well made. We have restored the lanterns completely with new sockets and wiring, to UL standards, and they are ready to hang. If you would rather have clear glass instead of the amber shown, we can treat the amber color to bleach it out but the present amber is so very striking.
All the glass is near mint condition.

Measurements: A grand 36" diameter with a length of 35" tall. Unusual in that each chandelier has 7 lights instead of the normal 5 or 6.Nice large ceiling canopy to disguise a difficult mounting option.
All mounting hardware will be supplied.

Price:

$3,300.00
