Arts & Crafts 5 Light Chandelier c1920

Reference:

MPD-001497
Description
The frame is a mixture of metals including brass and steel and cast zinc. All blending together is a nice five light that is capable of 100 watts per socket bulbs.

Now using our Art and Crafts amber shade, we think it is a nice offering for a rustic look.

Neat light that has had the wiring completely re-done in our UL approved lighting shop and it is cleaned up and ready to hang.
