Large Art Deco Wall Sconce Choice Of Bulb Socket

Reference:

MPD-001396
Description
770 is a very unique wall sconce, being very 1930's Streamline Art Deco. This lovely sconce is 37" tall and 8 1/2" wide.

It can be supplied either with an energy efficient electronic ballast and two T5 style, 55 Watt fluorescent bulbs (equal to 800 watts incandescent lighting). This fluorescent version will work on all world electrical voltages from 120v to 277 volts and 50Hz to 60Hz.

You may choose a 2700K warm fluorescent... or... the bright white 4700K fluorescent tubes. If in doubt, we can explain further.

OR

This fixture can be wired with two double incandescent sockets, able to accept four bulbs, as large as 200 watts each. See photo.

Available in three metal finishes. Please use the "drop-down" menu above to make your selections.

Measurements: Overall height is 37” from the tip of the glass slats to the bottom of the finial. Overall width: 8 1/2". Projects 8 1/2".

Price:

$795.00
