

Set of Six Hollywood Regency Sconces

Reference:

MPD-001751

Description

Set of SIX crystal sconces

Probably French or french influence, these six sconces are nearly perfectly matching with subtle differences.

The difference seems to be mainly that two of the sconces have slightly smaller bows at the top. This probably resulted from the original customer buying a set of four...and perhaps going back months, or years, later to buy another pair of sconces.

These sconces are solid brass with an antique finish which is original
The sconces have a polished metal backing so the reflection of the bulb is a bit magnified which is nice thru the crystals.

Measurements: Each sconce is 10 3/4" tall by 6 1/2" wide. They project into a room a mere 3 1/2".

These lights have all been re-wired in our UL shop and are ready for installation. The french sockets were replaced with American candleabrum sockets with new lead wires so they are all ready to go with American style mounting supplied.

Price for the entire set of six: \$ 1,395.00. Shipping is a bit extra.
