

## Sheets-Rockland Silver Company Art Deco Sugar and Creamer

### Reference:

MPD-000411

#### Description

This rare American art deco silverplate sugar and creamer set was introduced in 1928 by the Sheets-Rockland Silver Company from its Art Moderne line (the company mistakenly placed the accent over the "n" and there it stayed). Constructed of silverplate and translucent green Catalin, the pieces have sharply angled sides and crenellated tops. They are marked "Rockford.S.Co." with scales in a circle, "EPNS" and "1529". They each measure 4" high.
