Description

This American art deco ten piece dresser set is spectacular! Two 8" tall jet black glass bottles and two smaller jars are set in Steeling silver and have finials with Jade balls surrounded by the serpentine silver handles. The ribbed black glass has polished bottoms. The mirror, hair brush, shoe horn, nail file and button hook have the same jade ball finial as the bottles. The cartouches on the mirror, brush and comb have not been initialed. All ten pieces are in excellent condition and most are marked "International", "Sterling" and have a cypher touch mark.
