Pair of Gilbert Rohde American Art Deco Four Drawer Chests

Reference:

MPD-000154
Description
Gilbert Rohde (1886-1944) designed this sleek pair of American art deco chests for the Herman Miller Furniture Company ca 1937. The chests, with face in opposite directions, feature a surround of pale yellow lacquer, drawer fronts in exotic veneers and pulls in gunmetal with matching pale yellow tips. The chests sit on recessed bases of ebonized wood. Each chest is 32" high, 45" wide and 18" deep.
