Description

Arguably the most desired of [Gilbert Rohde's](#) lines for Herman Miller is the 1934 East Indian Laurel Group. Here's a key piece of that line...the Number 3425 Desk in East Indian Laurel, with black lacquer drawer pulls and the iconic circle pull of brushed chrome as the pull for the drop down desk. The desk is in great original condition and is 41" high x 32" wide and 15" deep (when closed).
