Gilbert Rohde American Art Deco Dining Room Modern Home

Reference:

MPD-005427
Description
A rare completely refinished and reupholstered 1931 Gilbert Rohde dining table and eight chairs. The table is from the line known as “Rohde Contemporary Furniture”. The chairs known as the 2700 Bentwood Chair remained in the line for 22 years, a testimony to its comfort and eye appeal. The table is 54” long x 36” wide x 30” high and extends by 27” with the three leaves inserted (two leaves are 10” wide each and one is 7” wide and they can be used individually). Each chair is 32” high x 17” wide and 20” deep. Seat height is 18 ½”. Please check out Ric Emmett's book, American Art Deco Furniture on Amazon.com.
