Description
After dinner drinks set of carafe and ten cordials designed in 1968 by finish master tapio wirkkala (1915-1985) for Iitalia and are from his Ultima Thule line. Inspired by melting ice, the hot glass is blown into wooden molds which give the glass a unique pattern as the glass burns the wood. The carafe is 8 ½” tall and the cordial glasses are each 2 ¼” tall.
