

Walter Von Nessen American Art Deco Conical Table Lamp

Reference:

MPD-001073

Description

This large table lamp was designed by Walter von Nessen (1889 – 1943) for Nessen Studios ca. 1930. The lamp has a round brass base with two stage brass structure holding two light sockets. The burnt orange burlap shade has a brass conical shaped finial which holds the conical shade to the lamp base. The lamps is 32" high and the shade is 24" in diameter at its widest. The lamp is in original untouched condition.
