Description

This striking American art deco cobalt blue mirror is from the 1930's. It is in a style made popular by Donald Deskey (1900 - 1989) in the 30's, although there is no record of Deskey making a cobalt mirror. The mirror has six 1" chrome balls arranged asymmetrically and chrome clips holding the mirror to the back. The mirror is 27 1/2" in diameter and is in excellent condition
