

## French Art Deco Sailboat In Macassar Ebony And Chrome 1920's

### Reference:

MPD-001551

#### Description

A Macassar, Ebony, and chrome art deco sailboat. Very large and really nice boat model with solid Macassar ebony hull and a full array of chrome sails. The rigging is there and it looks like we are getting ready for America's Cup here in SF. I don't think this one is sea worthy, but certainly would look great sitting in the yachtsmen room. Quite unique, first time we have ever had a boat from this period. French circa 1930's.
