Art Deco Ceramic Wall Mask

Reference:

MPD-002093
Description
A lyrical, beautiful mask in the Goldscheider tradition but without a signature. The sweeping, undulating fabric frames a beautiful face. The original style number 1134 is printed on the reverse. It also bears the faint word eramia , but no country of origin. It may be that the word was "keramia", the Austrian/Hungarian word for ceramics. And that would place its manufacture in that part of the world with a fabrication date in the early 1930s.
