

French Art Deco Demi Lune Floral Marquetry Inlay Cabinet

Description

This a wonderful classic French early 1920's art deco demi-lune style storage cabinet. Please take special note of the wonderful floral marquetry in 4 panels on the front and side doors. The legs are very reminiscent of the designs of Paul Follet, Sue et Mare or my favorite Maurice Dufrene. Very high quality work throughout. It is a piece I bought about 3 years ago and has just completed a beautiful "frame off restoration". The legs are delicate and graceful. This an heirloom quality piece of furniture, I am thrilled with it. It also has two matching interior drawers with additional simple marquetry and storage. The top is all flamed crotch walnut wood with some very subtle marquetry as well. A stunning piece of furniture. Measurements: 47" W x34" T X 20" D (at center)
