

## French Art Deco Display Column

### Reference:

MPD-002142

#### Description

A striking and wonderful display stand. Great to use for a nice bronze or vase. Beautiful grained honey colored flamed maple wood with nice strong black accents. Would also look great in a Biedermeier environment. Two glass panels on the outside, give that warm radiant ambient light. A real stunner for sure and great accent for any deco designer(s)! Measurements: 49" T x 10" W x 10" D
