

Curtis Jere Chromed Steel Bird Sculpture

Reference:

MPD-006421

Description

A 1970's Curtis Jere chromed steel eagle or bird sculpture on an Onyx base. The design team of Curtis Freiler and Jerry Fels are well known for their Mid-century Modern sculptural creations. The sculpture rotates upon the plinth and retains the original Jere mark on the onyx.

The metal shows minor wear commensurate with age as shown. The base, 5" x 5" x 6"H
