

Western Germany Lead Crystal Champagne Ice Bucket

Reference:

MPD-006721

Description

Mid-Century Modern Western Germany hand-cut lead crystal champagne bucket with gold-plated neoclassical angel handles. This is a very substantial and very heavy wine cooler which is quite large and easily accepts a full magnum bottle which is shown for display only. Retains the original label. Although not matching, a gold bamboo style ice tong is provided. Measure: Bucket 11" high with handles, 9" high without; 7.5" diameter top; 5" diameter at the base
