Description
Highly collectible H.L. Epstein designed cocktail center in exceptional Quartersawn Birdseye Maple with Palisander Rosewood.

This is an incredibly gorgeous very large and quite functional cocktail center by noted British designer H.L. Epstein. The quality of the Quartersawn Birdseye that graces the cabinet exterior is second to none. Contrasting and complementing the Birdseye Maple on the exterior is a beautiful Palisander Rosewood. A concealed pullout provides a convenient space to mix your favorite libations.

The cocktail cabinet interiors, not shown, are still being completed with their magnificent mirrors and plate glass shelves. The expansive top bar service area will feature its original peach colored plate glass mirror on the back. A plate glass shelf of the same curved design as the cabinet itself is found in the top bar service area as well. Two original lamps, vertically oriented, are found on the far left and right sides to the top bar service area with an automatic on-off when the top right door is opened or closed.

The expansive bottom section is lined in a beautiful Mahogany and features a plate glass shelf with the same curved design as the top shelf. The cabinet bottom in the bottom section features a plate glass mirror with the same curved design. Infinitely variable remote controlled LED lighting is found in the bottom storage section.
