

Rustic Iron and Brass Light Fixture in a Sunburst Design

Reference:

MPD-001084

Description

This is an unusual light fixture created in a rustic style. The light is suspended from wood and is created to look like the sun. The brass bowl is surrounded by the iron rays and small accents of crystals give the fixture an ironic twist. The light washes upward to create a soft mood. The wood hanger could be removed and the light could be hung closer to the ceiling for a more dramatic look. H: 35" plus chain x D: 24"
