

Pair Of Small Table Lamps - Mid Century Style

Reference:

MPD-005638

Description

Cool pair of Small table lamps with a contemporary/mid-century style.

The shades wrap around and snap together forming a cone, and fit into the wood dome-like base. They give a very nice soft uplight and have a very simple contemporary design. Great lights for a side table and they have a great designer look. They are 13.5" Height and the shade diameter at the top is 9.5". Both lights are in very good condition and fully functional.
