

## Mid Century Modern Impressionist Landscape In Blue Greens

### Reference:

MPD-001248

#### Description

This is a lovely mid century modern landscape with a view of the moon's reflection over water created in blue-green tones. The artist has created a slightly distressed feel that could only be achieved using oil on board. The painter's technique uses bold strokes with a pallet knife with a blends of color. The painting is nicely presented in a gilded frame with a linen border. The work is signed in the lower right corner and dated '74.
