

## Fantasy Decoupage Painting Manner Hieronymus Bosch

### Reference:

MPD-001259

#### Description

This is an original art work in a fantasy style created by assembling a decoupage of antique engravings that have been embellished with pen and ink and hand coloring in the style of Hieronymus Bosch. The over all result is a whimsical feeling with an influence of Alice and Wonderland. The artist's technique is excellent and the blending of designs is superbly disguised. The artist's signature is in the upper left corner. The piece is framed in a slim wood frame and is under glass.
