

Fabulous Carved Wood Shell Form Table Bases

Reference:

MPD-001599

Description

A fabulous pair of wooden table bases hand carved in Baroque shell forms with gilt accents. The bases will support a glass top to dining room table height. Carved posts behind each shell will support the top. Each shell is placed upon a stepped rectangular plinth. There are irregularities, a few chips on the edges and an age crack that add to the "Old World" rustic feel of these pieces. The glass top is not included.
