

Mid Century Modern California Studio Art Pottery Face Jug

Reference:

MPD-000917

Description

Created in 1956, this is a hand crafted pitcher done in a style that references the "grotesque" jug style. The pitcher measures 16.25 inches tall and 9 inches wide. The artist has signed by the artist "56 Tye of California". With it's interesting subject and subtle coloring, this pitcher will be quite a conversation piece!
