

Large Dimensional Clock Face Mirror With Roman Numerals

Reference:

MPD-001112

Description

This is a large artist crafted mirror created as a clock face. The frame is dimensional with angles that taper away from the center which has the glass inset creating the feeling of depth. The restrained coloring and the metal Roman Numerals add a touch of elegance. The irregularities in the metal band surrounding the glass are part of the charm of a hand crafted object. 48 " by 48"
