

French Carved Wood Sculptural Seat With Grape Vines

Reference:

MPD-001126

Description

This is an original carved wood sculpture in the form of a seat carved from the trunk and roots of a tree. The roots have been carved with clusters of grapes and vines that surround the entire piece. You can see the growth rings of the tree in the center of the seat. This sculpture is viewed from all angles with whimsy and interest. There is vintage wear to the finish and the chair. H: 33" x W: 32" x D: 32" Additional seats available.
