

## Mid Century Forged Iron Console With Tessellated Marble Top

### Reference:

MPD-001094

#### Description

This is a hand forged iron console created with a distressed look. The intentional imperfections are in contrast with the graceful slope of the legs and the sophisticated lines of the stretcher below. The top is made from tessellated marble in a lovely mix of strong colors. This console provides the look of strength without feeling heavy. 53 inches long by 18 inches deep and 32 inches high.
